ABOUT ME

Highly motivated and detail-driven tech enthusiast with a passion for innovative solutions. I thrive in collaborative environments, fostering open communication, and embracing feedback to deliver exceptional results. With a strong work ethic and relentless pursuit of knowledge, I excel in fast-paced tech landscapes, driving projects forward with creativity, precision, and dedication. I'm also an avid researcher, constantly seeking out cutting-edge technologies and methodologies to stay ahead of the curve and inform my work with the latest insights and trends

WORK EXPERIENCE

 **OTAKU.HUGO** – LAGOS, NIGERIA

Department AI Operations | Website <https://hugoinc.com/>

DATA ANNOTATOR – 02/06/2025 – CURRENT

- Analyzed, labeled, and categorized large datasets (text, image, or audio) to support machine learning and AI model development.
- Applied detailed annotation guidelines to ensure accuracy, consistency, and high-quality training data.
- Performed quality checks and validation to maintain data integrity across projects.
- Collaborated with cross-functional teams, including project managers and machine learning engineers, to meet deadlines and project requirements.
- Adapted to evolving annotation standards and tools to improve data usability for AI systems.
- Ensured compliance with client requirements, data security, and confidentiality policies.

 **DB CONSULTING** – LAGOS , NIGERIA

BUSINESS ANALYST SUPPORT(FREELANCE) – 01/01/2024 – 29/07/2025
